COLOR

A modern office interior featuring a light-colored wooden desk with a white storage compartment underneath. A brown leather office chair with a high back and armrests is positioned in front of the desk. To the left of the desk is a large, light-colored cabinet with glass doors and silver handles. Above the desk is a long, thin, white shelf with a black metal frame. The shelf holds several books and a small sculpture. The background shows a window with a white blind and a view of a city skyline. The floor is covered with a grey carpet.
