VENEER FEEL LOUVERS
EDITION - ONE

APC
SafeCore™

"NATURE MEETS SAFETY"

Features

Anti Bacterial

Keeps interiors safe and hygienic with advanced protection.

Eco-Friendly

Crafted with sustainability in mind, good for you and the planet.

Termite-Proof

No worries of damage, built for durability.

Real Veneer Feel

Warm wood aesthetics with modern performance

Water proof

Resistant to moisture, ensuring long-lasting performance.

Easy to Install

Hassle-free fitting for faster transformation.

Fire Retardant

Fire-resistant design for high-occupancy spaces

Scratch-Resistant

Maintains its fresh look even with daily use.

Easy to Clean

Simple maintenance with just a quick wipe.

Do not use steel wool, hard brushes, or abrasive pads

Size :- 9.5 Feet (2900mm) Width :- 120mm (+/-5%)
Thickness:- 12mm (+/-5%)

DISCLAIMER

- Color, texture, and finish variations may occur between different production batches.
- Customers are advised to plan and order full requirements together for best consistency.
- The company accepts no liability for damages, misuse, or improper installation.
- The Pastel Theory products are sold without any guarantee or warranty.
- Fire-retardancy is tested under controlled laboratory conditions; performance may vary in actual site conditions.
- Designs and specifications are subject to change without prior notice.
- The Pastel Theory Louvers are designed for interior applications only and are not recommended for outdoor or exterior use.
